

Trading Partner Manager - Lockheed Martin P2P

Exostar's Trading Partner Manager (TPM) provides complete registration life-cycle for supplier invitation and registration. Lockheed Martin uses TPM to invite new or existing Exostar IAM Platform (MAG) customer partners (suppliers) to access the LMP2P portal. The following help documents are available for suppliers to complete various tasks within TPM:

- [TPM Invitation Acceptance Guide](#) : This guide provides a step-by-step guide to complete the invitation acceptance for access to the LMP2P portal. This guide is useful for both existing Exostar IAM Platform (MAG) suppliers and new suppliers.
