SIRIUS Support Contacts

Principal Investigators can call the Pfizer EDC helpdesk phone number: **+1-877-433-2619**

This is toll-free number in US and Canada. To dial free of charge outside the US and Canada users should dial the AT&T Direct Access Country Code number, available at http://www.business.att.com/bt/dial_guide.jsp and follow instructions.

Example – How to dial free of charge from Italy:

Step 1. Select the PI country in the **Select the country you are dialing from** box.

Step 2. Leave **Unites States** in the “Select the country you are dialing to” box. Click **Submit**.

Step 3. Identify the AT&T Direct access number returned: in order to dial from Italy the PI should dial 800 172 444 . Once prompted from the automatic operator, they should dial 877 – 433-2619 followed by the pound sign (#) to get connected to Support.
