# adding Partner Manager (TPM) Overview

e

Exostar's Trading Partner Manager provides complete registration life-cycle for supplier invitation and registration. Lockheed Martin uses TPM to invite new or existing Exostar Managed Access Gateway (MAG) customer partners (suppliers) to access the Lockheed Martin Procure to Pay (LMP2P) portal. It is a supplier self-service vendor profile management system with integrated D&B enrichment data. Suppliers use TPM to access Annual Socio-economic Self-Certification (NAICS codes), Executive Compensation Report Representation and the cybersecurity and NIST questionnaires as well as perform profile recertification.

## Locate TPM

TPM is located under the **My Account** tab in MAG. In **My Account**, click the **View Organization Details** sub-tab, scroll to the Organization Details section, and click the **View in Trading Partner Manager (TPM)** link.

## Additional Resources

Please select from the links below for TPM-specific information:

[TPM Registration Checklist](#): This link provides a checklist of required information you need to complete your registration.

[Cyber Security](#): This link provides instructions for determining whether or not your organization must complete the Cyber Security Questionnaire within Exostar's Partner Information Manager (PIM) solution.

[TPM Downloadable Guides](#): For additional help with the invitation process, registration checklist, and profile recertification.
