Certification Assistant

e

Welcome to the Certification Assistant Self-Help dashboard! Certification Assistant is an SaaS-based tool used to assist DoD contractors in meeting and managing Cybersecurity Maturity Model Certification (CMMC) requirements. In order to access this application, you must have an [Exostar's Managed Access Gateway \(MAG\)](#) account, as well as a [Phone-Based One-Time Password \(OTP\) without Proofing](#) credential. Select from the buttons below to learn more about the application and how to begin access as a new user.
