Get Started - Supplier Portal

e

To access Supplier Portal, you must have an [Exostar's Managed Access Gateway \(MAG\)](#) account. Please follow the steps below in order to gain Supplier Portal access:

Step 1. Register with Exostar

As a Buyer, you must invite Suppliers to register for Exostar's Managed Access Gateway (MAG) to access Supplier Portal. For more information on completing an invitation, please see the [Adoption Administrators](#) page.

As a Supplier, complete the registration invitation received via email. For more information on completing your account registration, please see the [MAG Get Started](#) page. After approval, users designated with Organization and Application Administrator roles receive their account activation email to setup their Exostar user account.

Step 2. Credentialing

Access to Supplier Portal can be achieved using your email address or username and password, however, to access other applications via Supplier Portal (PIM, VQM, ForumPass, etc.), you may require some type of 2-Factor Authentication. Please select from the links below to review credentialing information for applications that require additional authentication:

- [Partner Information Manager \(PIM\)](#)
 - [Vendor Qualification Manager \(VQM\) Overview](#)
-

Step 3. Access Supplier Portal

Once you complete your account registration, you can access the Supplier Portal from your **MAG Dashboard**, by clicking **Launch** link on the Supplier Portal application.
