## Purchase, Renew & Pay - Billing & Support

e

To reduce risk and provide strong online identity protection, applications that are secured via Exostar's Managed Access Gateway (MAG) may require a security credential such as an One Time Password (OTP) credential or Federated Identity Service (FIS) Digital Certificates. Existing MAG account holders can renew, replace or purchase credentials via their account.

SCP customers can log into their MAG account to pay SCP membership invoices. Please note that you must have the Organization Contact role in Exostar's Billing & Support Center to pay SCP membership invoices.

For assistance with purchases, payments and renewals:

- [Billing and Support Assistance](#) for paying SCP membership invoices and product renewals.
- [Purchase Assistance](#) for product purchases.

To pay invoices, use the **Invoice Instant Pay** option below.
